Dress Up Your Home For Spring

This is Homecraft Week, and it gives you an opportunity to select materials for your home, in the newest designs and quality.

THE WELL GROOMED HOME often depends for its style, its individuality upon its window draperies, particularly its window lace.

The fact is that no part of your home furnishings is more in evidence and more seen by a greater number of people, and this is why HOMECRAFT WEEK helps you in selecting just the material you need for a becoming home.
